Please verify which codes are applicable in your region before submitting a claim. KT TAPE® does not make any claims expressed or implied, of their fitness for a particular purpose, or for their accuracy, completeness, or usefulness of any information disclosed. These codes are general for the tape and the areas that you tape and are not timed codes. If you find codes that work better than others or use codes that work with specific insurance carriers, please let the KT TAPE® know so that we can share this information with other practitioners.
